

Sector X

A CODENAME: KIDS NEXT DOOR FANZINE
BY JAY "BUGGY" GOLDSTEIN

Sector X

Is a sector of KND field operatives based in Louisiana. They are featured mostly in the episode Operation U.N.C.O.O.L. Within show canon, not much is known about this trio.

This zine explores the question "what if Sector X were gay teenagers?", and it exists within the author's elaborate high school AU. The comics inside focus on the gay coming-of-age experience.

Hope you enjoy!

WE USED TO PAINT OUR NAILS
THE SAME COLOR,

SO WHEN WE HELD HANDS IN THE
MIDDLE SCHOOL HALLWAY, WE'D FEEL
MORE CONNECTED.

IT WAS NICE HAVING
SOMEONE CLOSE TO ME WHO
I DIDN'T HAVE TO
EXPLAIN THINGS TO.

SINCE WE WERE ALREADY GOOD FRIENDS, BOTH FIGURING OUT THAT WE LIKED BOYS, IT ONLY MADE SENSE TO START DATING.

WE SLOWLY REALIZED THAT WE WERE BETTER OFF JUST BEING FRIENDS INSTEAD OF PARTNERS, BUT I'LL ALWAYS LOOK BACK ON OUR RELATIONSHIP HAPPILY. I'M THANKFUL THAT YOU WERE THERE. IT WILL ALWAYS BE IMPORTANT TO ME.
